The real action has only just started

- ◆ Parliament is sovereign and MPs are our representatives
- ◆ Our MP's duty is to scrutinise government plans and reject them if they're not right for us
- ◆ Brexit would change the country - but risks breaking the UK
- ◆ Membership of the EU gives us peace, prosperity and power

What has Brexit delivered so far?

- ◆ Higher shop prices
- ◆ Devalued £ sterling
- ◆ £40 billion bill
- ◆ Nurses leaving NHS
- ◆ London jobs lost
- ◆ Following EU rules with no say over them
- ◆ Key votes at UN lost

- ◆ Contact your MP at theyworkforyou.com
- ◆ Visit your MP's surgery
- ◆ Join us at www.sstie.uk to make a difference

Sevenoaks & Swanley Together in Europe

- ◆ The UK is a leader in Europe, which is the largest economic power in the world. We do almost half our trade with Europe. Why on earth give this up?
- ◆ We have still not heard of a single credible benefit from leaving. Have you?
- ◆ We exercise our democratic right to campaign for the United Kingdom, against Brexit .
- ◆ We oppose a course of action that would wreck Britain for the next generation.

◆ Demand the #finalsay for parliament and people
