GENERAL ELECTION THURSDAY, 12th DECEMBER

If Brexit were good for Britain, we would have already left the EU. Instead three years on it has managed to damage our economy, divide our communities and break our politics. It now

threatens:

- *free health care and the NHS*
- *environmental protections*
- *workers' rights*
- *integrity of the United Kingdom*

stops:

Freedom of Movement to 27 European countries

Vote for a brighter future.

Vote for a remain party.

Vote tactically.
